

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION**

UNITED STATES OF AMERICA,

vs.

ROMAN IAKOVLEV,

Defendant.

: Case No. 1:18-cr-109

: Judge Timothy S. Black

**WAIVER OF IN-PERSON APPEARANCE  
AND NOTICE OF CONSENT TO VIDEO OR TELECONFERENCE**

I, Roman Iakovlev, am the defendant in the above-captioned criminal case, and I am advised that my case will be scheduled for a sentence ~~plea~~ RT hearing before the Court. I acknowledge and understand that I have a right to appear at the hearing in person and in the physical presence of my attorney.

Having thoroughly consulted with my attorney, I hereby waive my right to appear at the hearing in person and I further consent to proceed with the hearing by video or teleconference. I understand that my attorney will also appear at the hearing by video or teleconference and that my attorney will therefore not be in my physical presence during the hearing. I understand that I will have the opportunity to consult with my attorney privately by telephone before, during, and/or after the hearing, if I so choose and upon my request. If I wish to consult with my attorney privately during the hearing, I understand that I will need to make my request known to the Court at that time and that all reasonable efforts will be made to honor my request. I further understand that, during the video or teleconference hearing, I have the right to address the Court and to otherwise participate, as if I had appeared in person.

I acknowledge and understand that all reasonable efforts have been and will be made to ensure that no technological issues arise during the course of the video or

teleconference hearing. However, in the event that any such issues should occur, I understand that the Court will in no way hold those issues against me and will immediately undertake efforts to adequately resolve the issue or, if the issue cannot be adequately resolved and/or is causing interference with the proceedings, the Court will reschedule the hearing. Accordingly, I waive any objections I may have based upon any such technological issues.

I understand that by signing this document, I am waiving my right to appear for hearing before the Court in person and consenting to proceed by video or teleconference, as fully set forth above. I affirm that I have thoroughly discussed this decision with my attorney, that I am fully satisfied with my attorney's advice and representation in that regard, that I have read this document in its entirety, and that I am executing this document voluntarily and with a full understanding of the rights and privileges that I hereby waive.
